

Award winning building ways

The experienced team at QPC Builders, led by Alex Coburn, are refreshingly energetic and passionate Auckland builders dedicated to delivering the highest quality work.

QPC has specialist teams to carry out recladding, renovations and new home builds across the wider Auckland area.

The award winning company can take your ideas from concept to completion and handle the entire process for you. All its work is backed by a 10 year Master Builder Guarantee.

What sets QPC apart is its highly skilled and specialised staff. QPC has specialist teams to carry out recladding, renovations and new home builds across the wider Auckland area.

Project managers will keep you up to date with progress and take care of any issues, while overseeing the strong network of reliable and honest subcontractors who work on the project. Likewise, the in-house quantity surveyor will keep a close eye on your costs and how you are tracking.

New builds

QPC Builders works with its own quantity surveyor and architects to offer a full design/build package on all new home projects, from a cost effective investment property to your dream home.

The team can also work with clients' architects if they already have a plan or a concept in mind. QPC provides a comprehensive fixed-price quote and a full timeline of the build, which will be managed by one of its highly experienced project managers.

Renovations

Renovations are a specialty of QPC Builders. The team can take your ideas and vision and turn them into reality, providing a full no-surprises fixed price. Renovations give you the option of staying in your location, while creating the home you want and need.

Recladding

QPC Builders has particular expertise in plaster homes and has a reclad division which specialises in water-damaged homes. The company works closely with clients to reclad and transform their homes to make them modern and fresh and help to restore their full market value.

This new home in Devonport won QPC Builders a gold award and a gold reserve award in the recent Registered Master Builders' House of the Year award

This award winning home built by QPC Builders features stunning views from Devonport
